

# Eco Warriors

Organize community clean-up events with DIY kits that include reusable bags, gloves, and tools. These kits will ensure volunteers are well-equipped to safely and efficiently collect litter, promoting a cleaner and healthier environment.

## What you need

1. Reusable Bags
2. Gloves
3. Tools (e.g. Tongs, grabbers)
4. Safety Gear (e.g. Safety vests)
5. Water and Snacks

# STEPS

1. Gather Supplies (any that is available)
  - Choose durable reusable bags.
  - Provide heavy-duty gloves.
  - Include litter pickers, tongs, or grabbers.
  - Add safety vests or reflective gear.
  - Include a basic first aid kit.
  - Provide water bottles and snacks.
2. Neatly organize items in each kit.
3. Include simple instructions for tool use and waste disposal.
4. Include information on the environmental impact of litter.
5. Provide tips on recycling and proper waste disposal.
6. Coordinate with local groups to distribute the kits to volunteers.
